Bright blessed day

Cornflower Impression

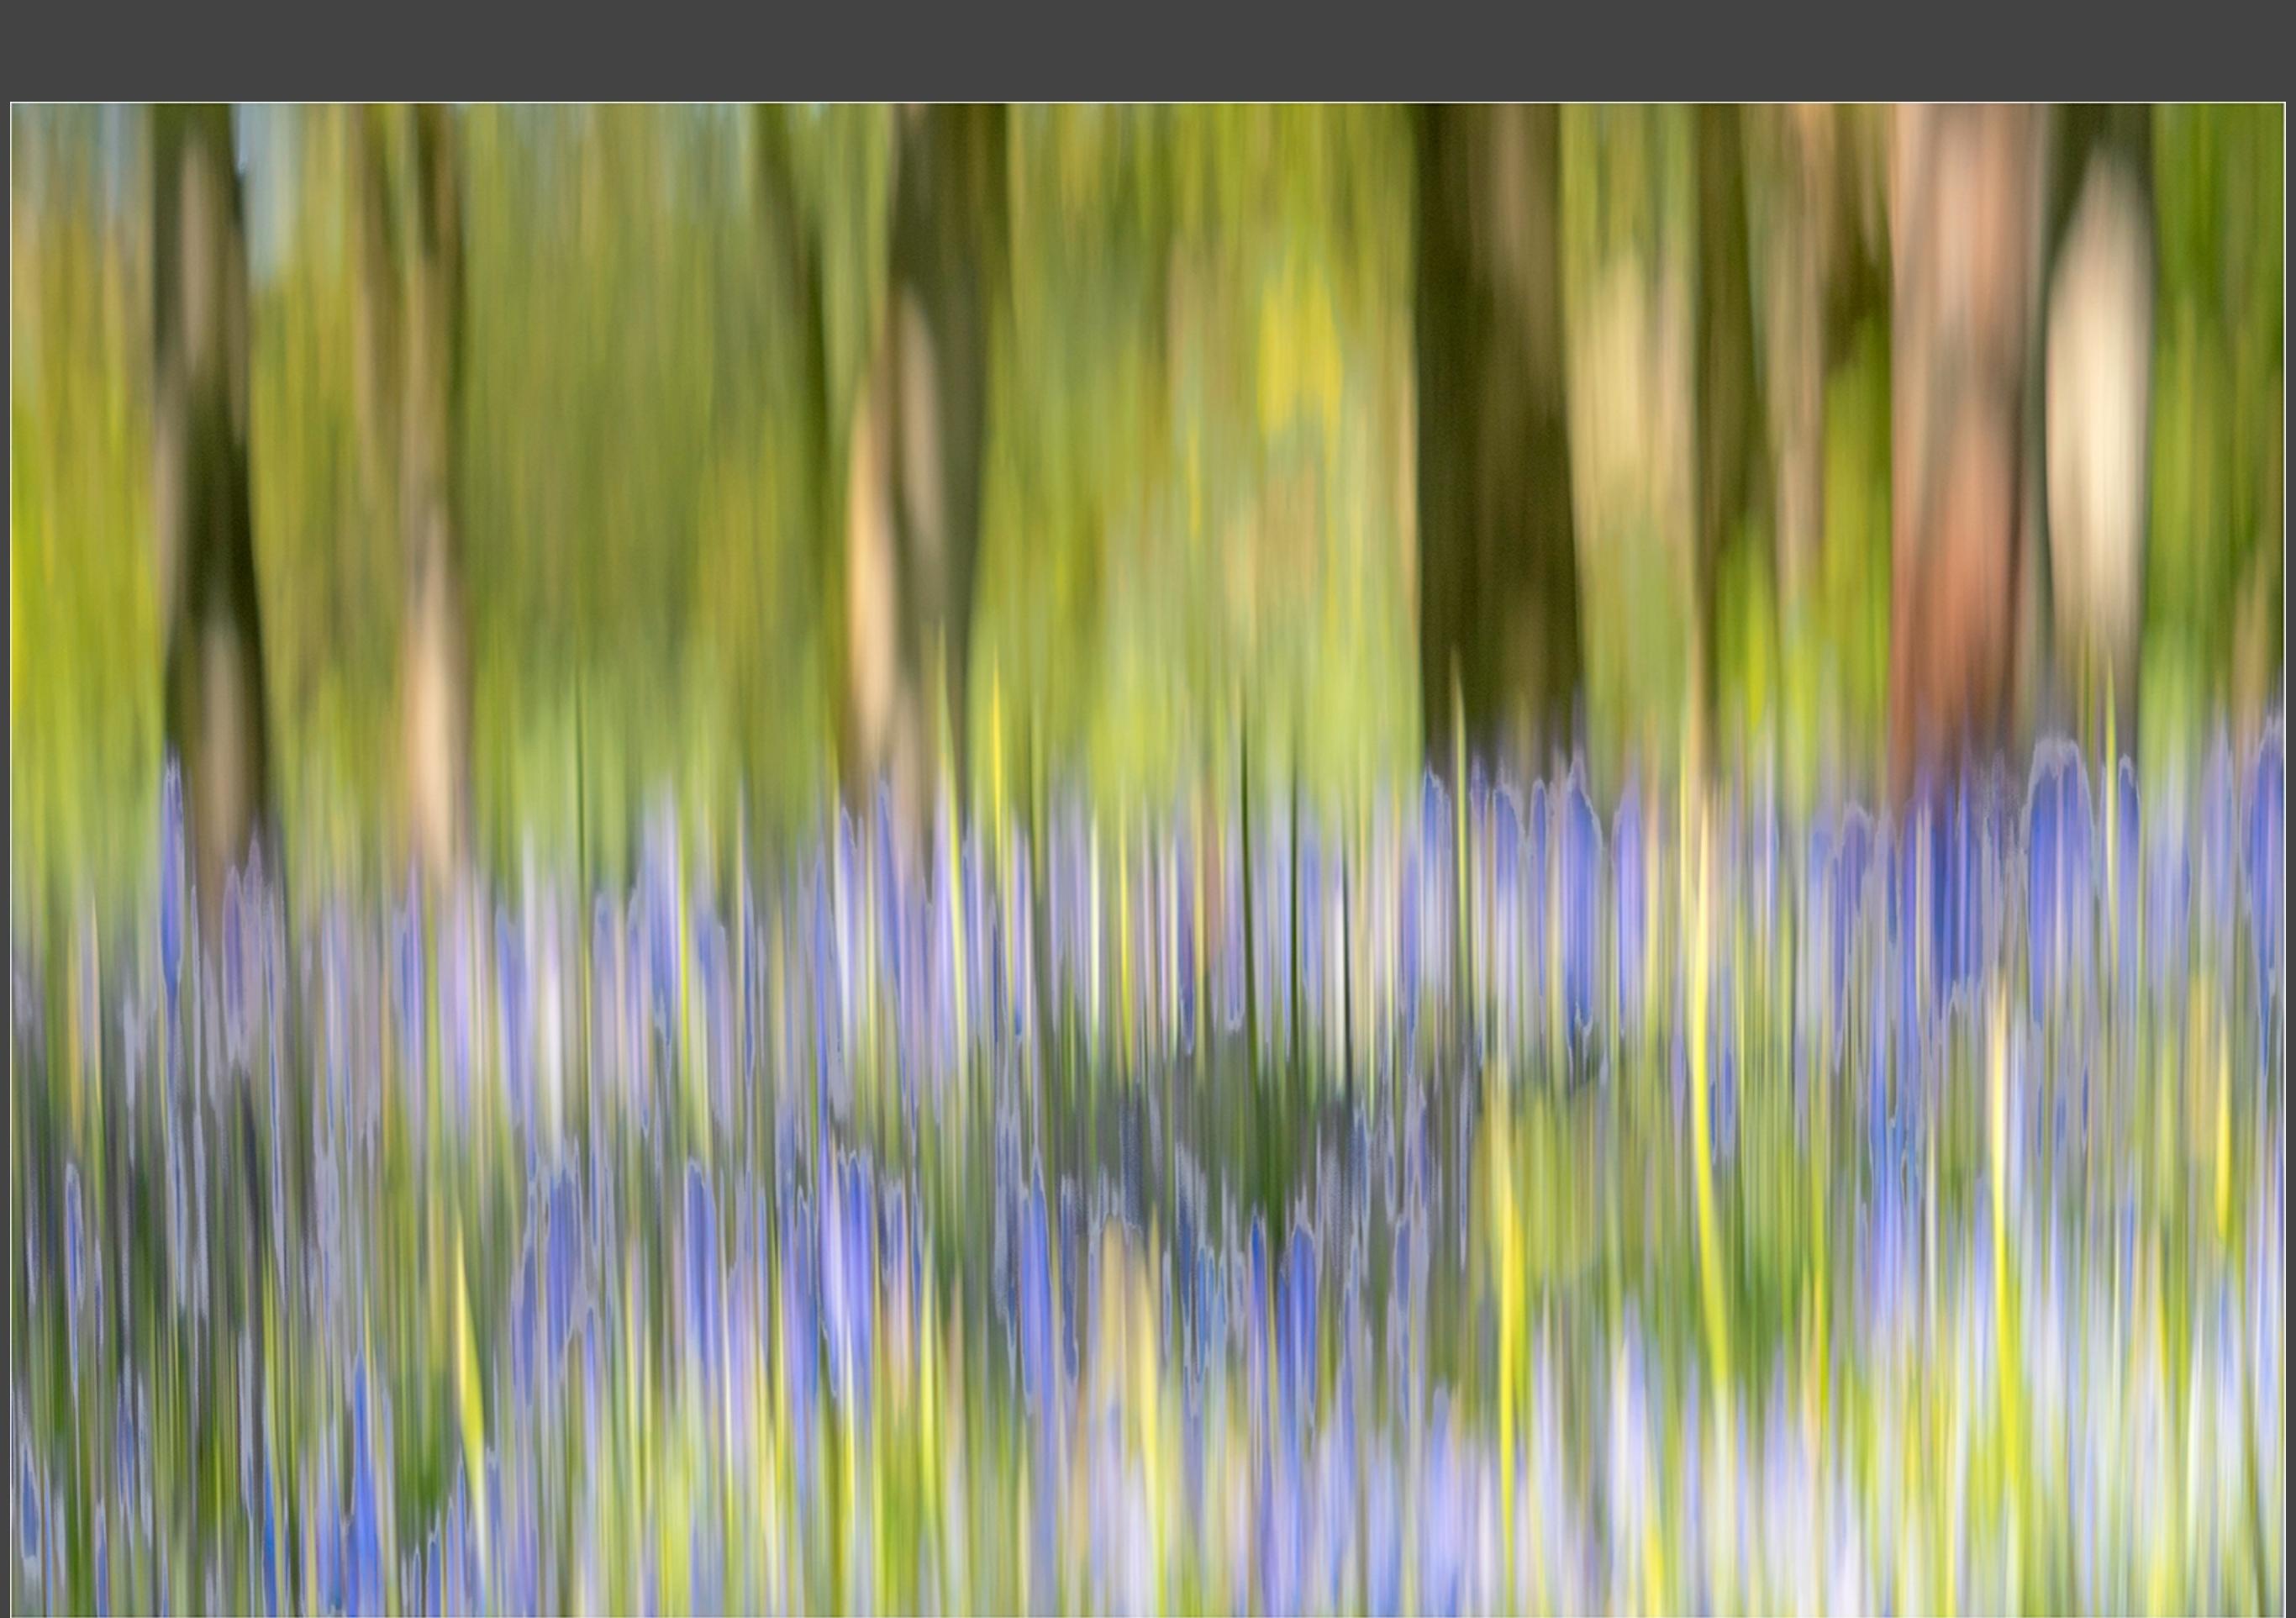

Commended - Jim Dunlop

Clyde side view

The Distillery

A blurred photograph of a forest scene. The foreground is filled with a dense carpet of bluebell flowers, their bell-shaped blossoms a vibrant shade of blue. In the background, the trunks of tall, thin trees rise vertically, their bark a mix of dark browns and grays. The overall effect is a soft, out-of-focus image that conveys a sense of depth and tranquility.
