I See You

Set 16

One man and his Dog

Robin

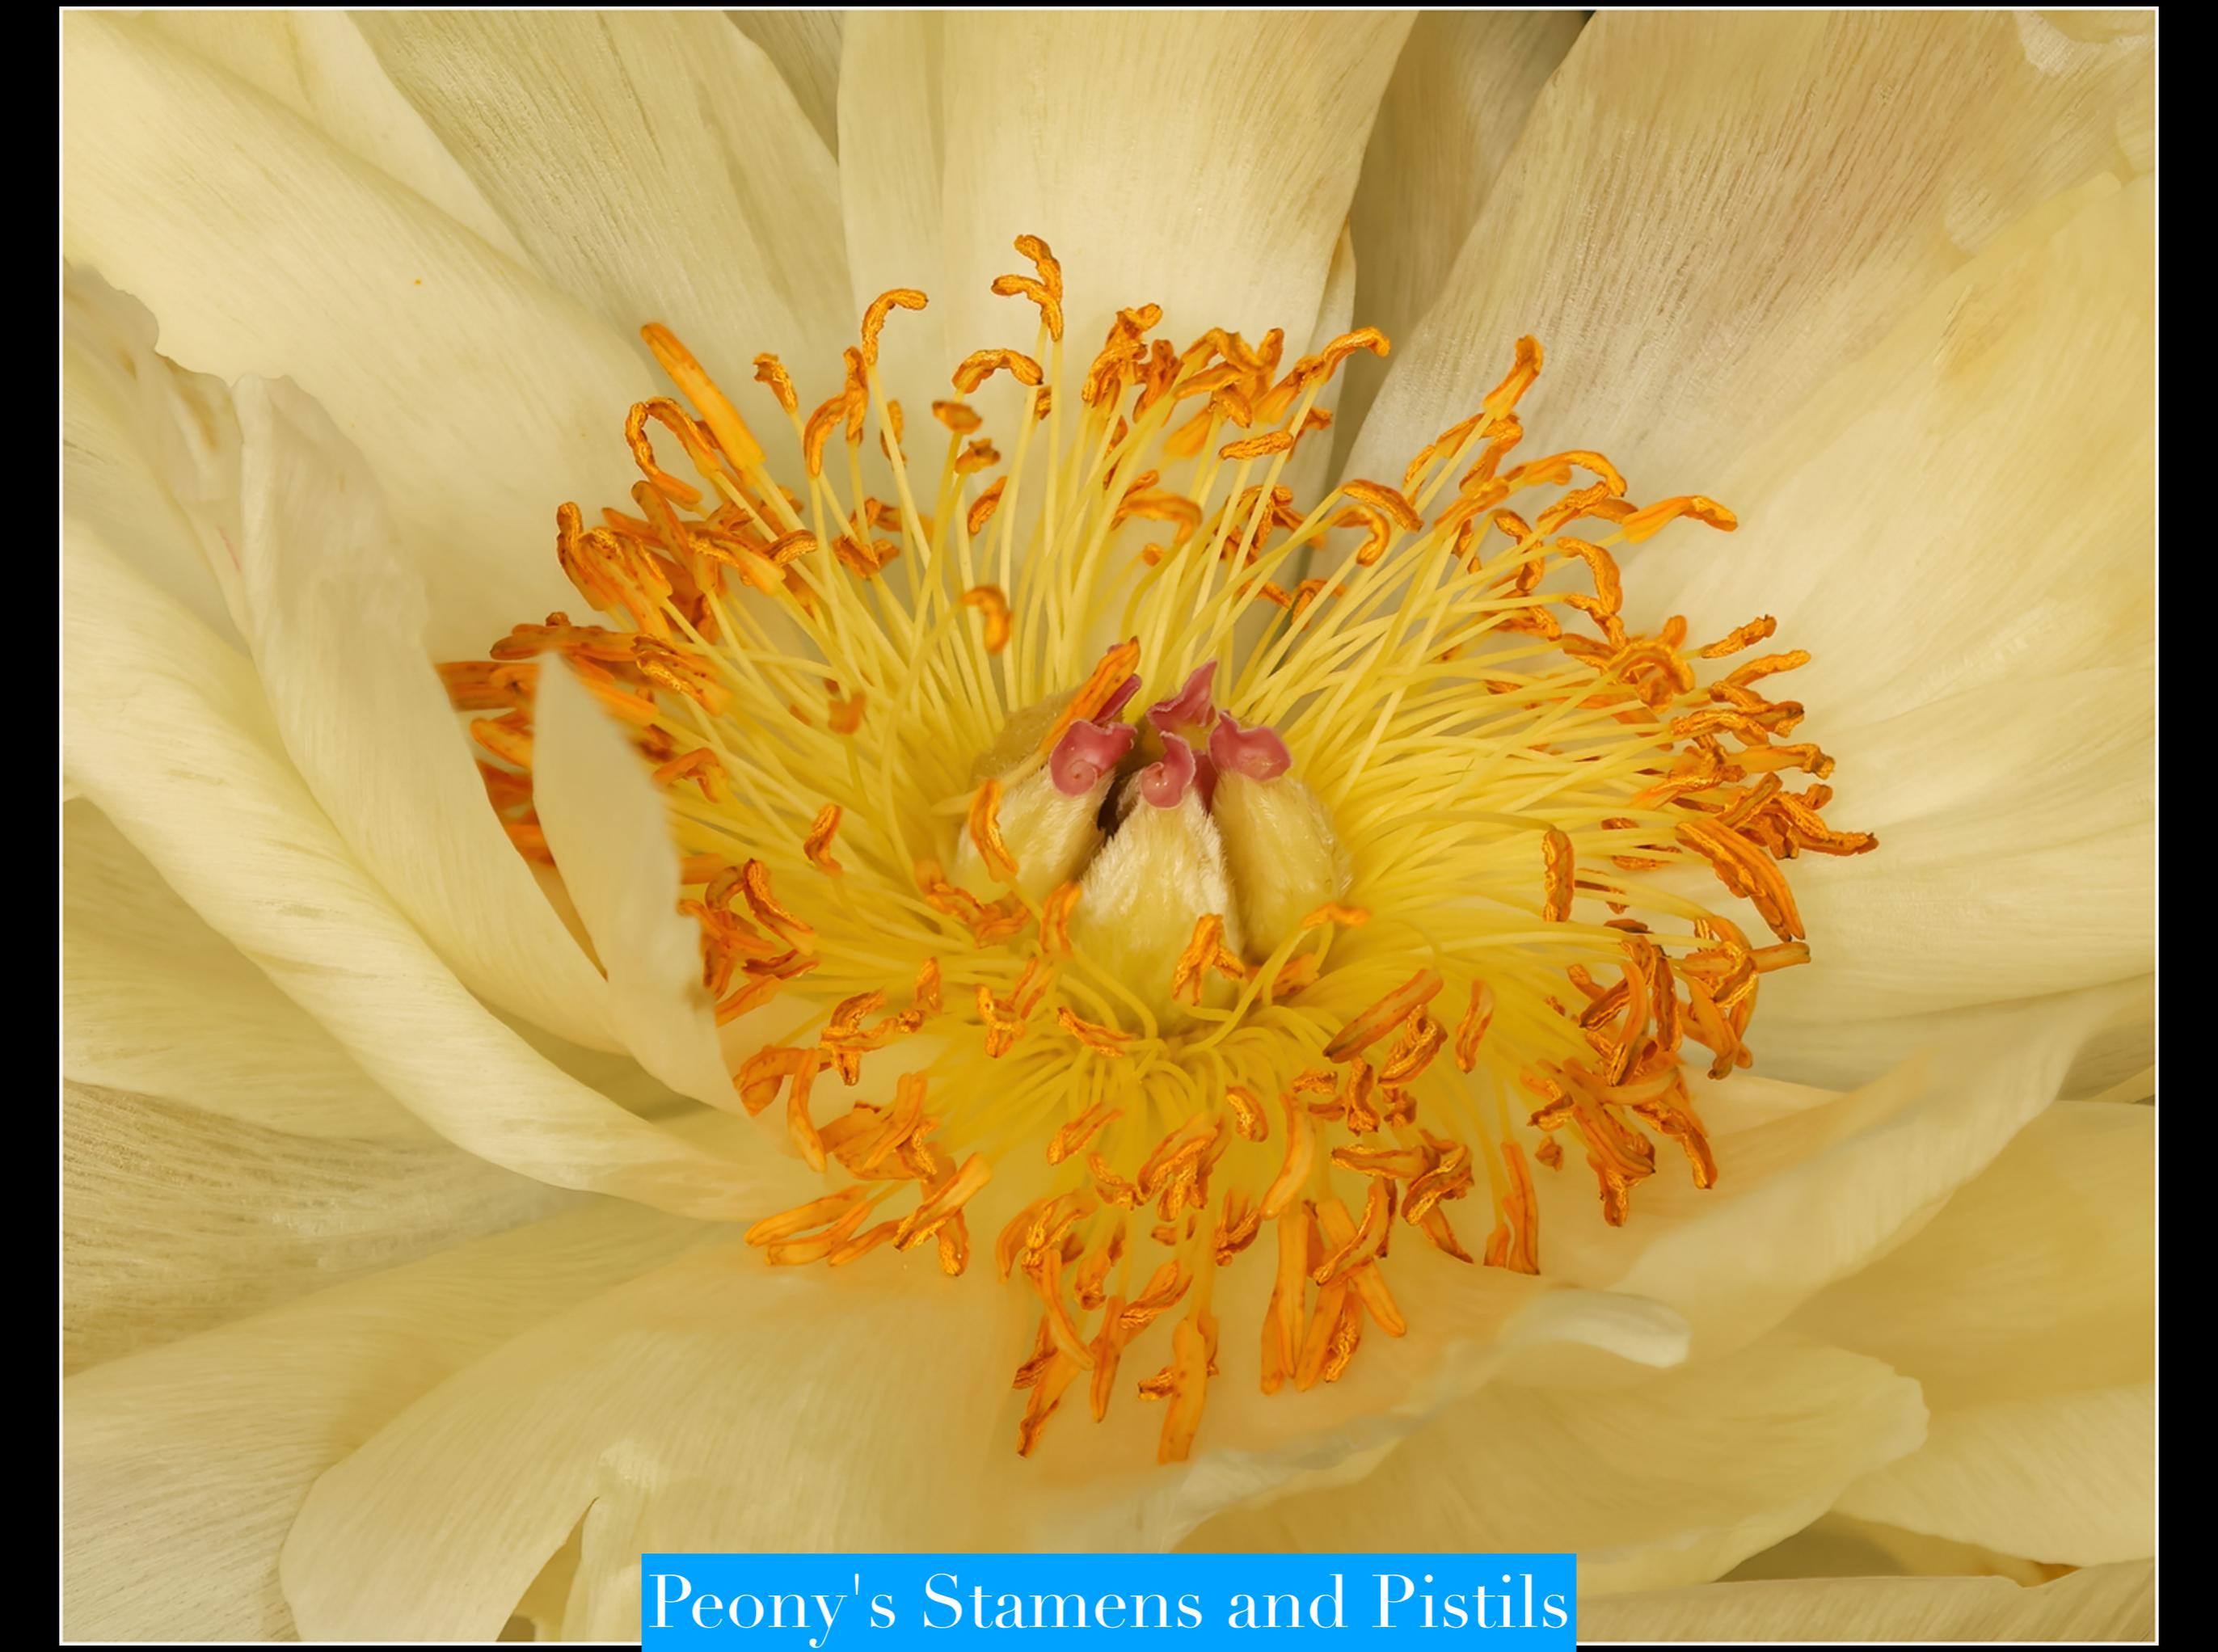

Puffin with a takeaway

Commended Image - Louise Walker

Set 17

A close-up photograph of a white peony flower. The center of the flower is dominated by a dense cluster of numerous yellow stamens with long, thin filaments and small, curved anthers. Two pistils are visible in the center, featuring pinkish-purple, slightly curled styles. The surrounding petals are large, white, and have a delicate, layered texture. The lighting is soft, highlighting the intricate details of the reproductive parts.

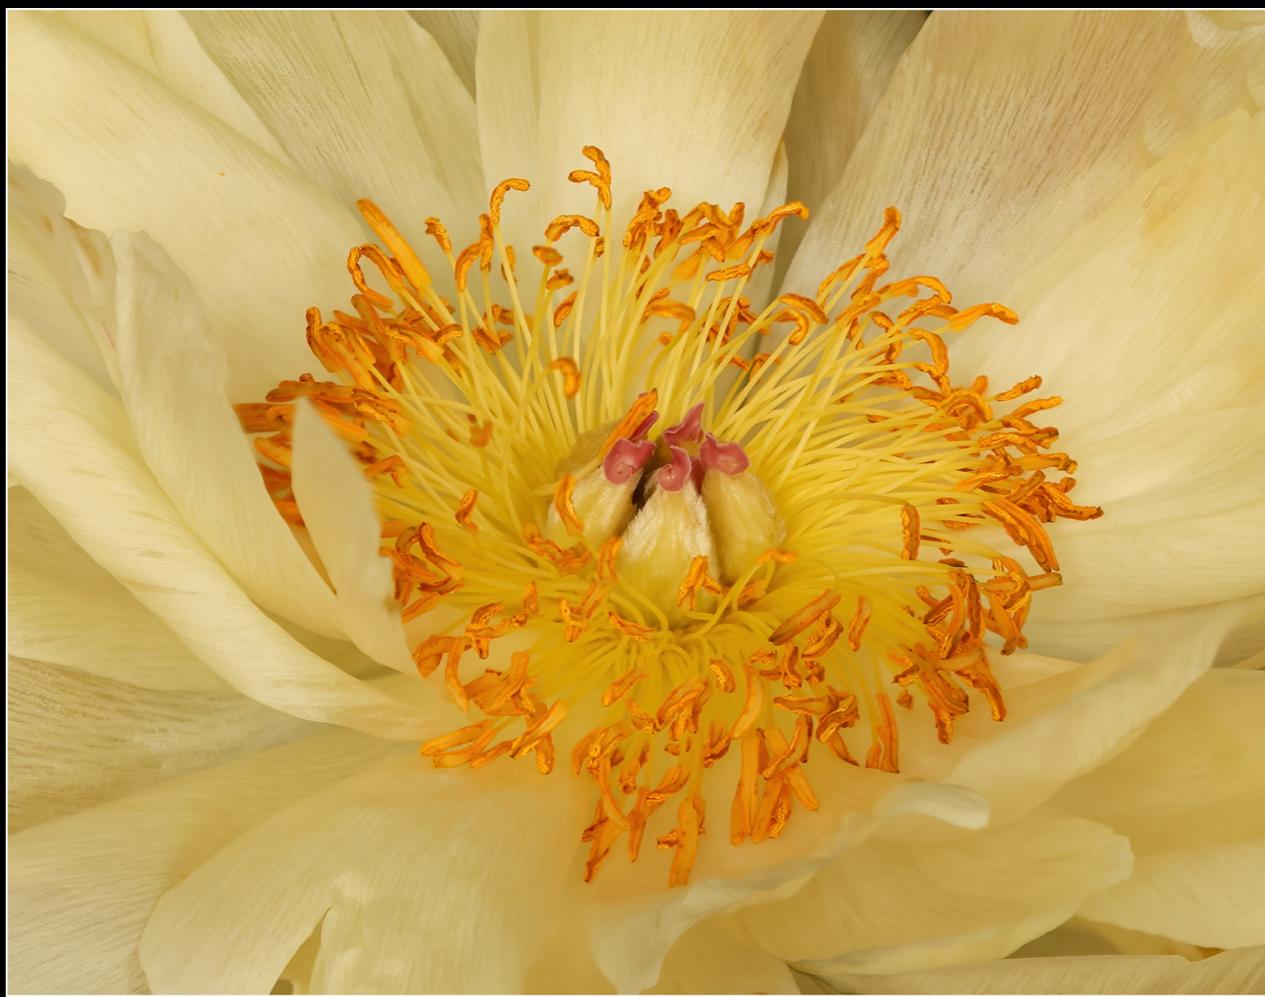

Peony's Stamens and Pistils

Male Banded Demoiselle

First to top Corner

Commended Set
Fiona McFetridge
